Liebe Lehrpersonen

Theorie trifft Praxis – war das Motto dieser Übungsblättersammlung. Beim Arbeiten mit unserem Merkbüchlein mit unseren Klassen ist in uns der Wunsch nach passendem Übungsmaterial gewachsen. Wir haben im Laufe der Zeit immer wieder selber Arbeitsblätter produziert und schliesslich festgestellt, dass wir beide dasselbe machen. Nun haben wir unsere Kräfte gebündelt und wollen unsere Arbeit auch anderen zugänglich machen.

Die Übungsblätter dienen als praktische Anwendung der Theorie aus dem Merkbüchlein Englisch. Sie sollen im täglichen Unterricht als Übungsmöglichkeit genutzt werden können, damit die Schülerinnen und Schüler auswendig Gelerntes trainieren und festigen können. Damit wir den Lernfortschritt unserer Schülerinnen und Schüler dokumentieren können, ist an jedes Thema noch ein möglicher Test angehängt.
